

# Anti-limescale spray

Ulrich  
natürlich

## Advantages of the product

- Ideal for surfaces such as faucets, shower heads, tubs, sinks, tiles or glass
- With adjustable spray cap for use as a spray or adhesive foam
- Allows cleaning of large areas
- Fast & even application to the affected areas
- With lactic acid that reduces limescale deposits
- Use of xanthan

Concentrate: economical and efficient in use

No animal testing

Without dyes, optical brighteners, bleaches, palm oil, enzymes, petrochemical ingredients

Only essential ingredients are used in our products

Easily biodegradable & environmentally friendly

## Labelling of ingredients according to Regulation (EC) No 648/2004

< 5 % non-ionic surfactants

## Certification

The Ulrich natural anti-limescale spray is certified as NCP-Vegan by ECO-Control according to the latest Nature Care Product Standard (NCPS). The Nature Care Products Standard regulates the requirements of certified care products. The NCP standard includes in particular washing and cleaning products, textile and leather care products.

In addition, the Ulrich natural anti-limescale spray is registered with the Vegan Society. The Vegan Society checks, among other things, all raw materials used in the Ulrich natural recipes and classifies them as vegan if they meet the relevant guidelines.

## Application

Spray on, allow to take effect briefly and then rinse or wipe with clean water.

## Storage

Store in a cool, dry place.  
Protect from sunlight.

## Container

500ml bottle

## UFI

KDQD-NCJX-3GQQ-KG51
