Labelling for contents according to Regulation (EC) No 648/2004

5 % - < 15 % non-ionic surfactants, < 5 % anionic surfactants, preservatives (benzyl alcohol)

Certification

The Ulrich natürlich detergent is certified as NCP-Vegan by ECO-Control according to the latest Nature Care Product Standard (NCPS). The Nature Care Products Standard regulates the requirements of certified care products. The NCP standard includes in particular washing and cleaning products, textile and leather care.

In addition, Ulrich natürlich detergent is registered with the Vegan Society. Among other things, the Vegan Society checks all raw materials used in Ulrich Natürlich recipes and classifies them as vegan if they meet the relevant guidelines.

In addition, the product has carried the "very good" seal from Dermatest since 03/2022.

Application

Use the detergent for hand and machine washing at temperatures between 20°C and 95°C, regardless of water hardness.

Dosage: 30 ml per 4.5 kg of dry laundry for all degrees of hardness and temperature ranges.

Storage

Store at room temperature in a dry, dark place.

Protect from sunlight.

Recommendation: Use within 6-12 months after opening.
