- Maintains and protects the dishwasher

Economical and efficient in use

No animal testing

Without dyes, optical brighteners, bleaches, palm oil, enzymes, petrochemical ingredients

Only essential ingredients are used in our products

Easily biodegradable & environmentally friendly

Certification

The Ulrich natural regenerating salt is certified by ECO-Control according to the latest Nature Care Product Standard (NCPS). The Nature Care Products Standard regulates the requirements of certified care products. The NCP standard includes in particular washing and cleaning products, textile and leather care products.

In addition, Ulrich natural regenerating salt is registered with the Vegan Society.

Among other things, the Vegan Society checks all raw materials used in Ulrich Natural recipes and classifies them as vegan if they meet the relevant guidelines.

Application

Fill the Ulrich natural regenerating salt into the container provided. Before each wash cycle, check whether there is enough regeneration salt and rinse aid. Underdosing individual components will result in streaks on the dishes.

Storage

Store in a cool, dry place. Protect from sunlight.
Once opened, use within 6 months.

Container

- 2 kg box
- 25 kg Sack
