Certification

The Ulrich natural toilet cleaner is certified as NCP-Vegan by ECO-Control according to the latest Nature Care Product Standard (NCPS). The Nature Care Products Standard regulates the requirements of certified care products. The NCP standard includes in particular washing and cleaning products, textile and leather care products.

In addition, the Ulrich Natürlich toilet cleaner is registered with the Vegan Society. The Vegan Society checks, among other things, all raw materials used in the Ulrich Natürlich recipes and classifies them as vegan if they meet the relevant guidelines.

Application

Ulrich of course apply toilet cleaner up to the rim of the toilet bowl.

Allow to take effect, then brush and rinse. If very dirty, allow to take effect overnight.

Do not use additional chlorine cleaner.

Storage

Store in a cool, dry place. Protect from sunlight.

Recommendation: Use within 6-12 months after opening.
